ABOUT US

“Building Faster. Finishing Better. Delivering Without Compromise.”

Hasteway Constructions prides itself on successfully developing a company with qualified, skilled, and dedicated tradesmen who possess extensive knowledge and experience in both commercial and residential projects across the board.

We deliver high-quality residential and commercial projects with speed, precision, and accountability.

In addition to our highly skilled employees, Hasteway Constructions has managed to forge relationships with equally impressive associates and professional partners within the industry who have an incredible wealth of experience.

With the required workforce, equipment, and machinery, Hasteway Constructions has the resources to work on a variety of projects across the board. Hasteway is a reputable company that is rapidly growing within the construction sector.

ABOUT OUR COMPANY

The founder has more than 30 years’ experience and knowledge in the construction industry.

Desmond Brown studied and gained his building and management qualifications in London, United Kingdom, where he originates from.

In 2007, he was headhunted and relocated to South Africa to work with one of the leading construction companies in the country before branching out in 2009 to form Hasteway Constructions.

HASTEWAY CONSTRUCTIONS 2019

OUR BELIEFS

01

Our Values

Hasteway Constructions is a leader in providing value-added construction services to our clients by creating successful partnerships throughout the construction process.

02

Our Pledge

To establish lasting relationships with our clients by exceeding their expectations and gaining their trust through the selective use of responsible subcontractors, hiring and retaining first-class employees, and approaching the building process with honesty and integrity.

We continue to meet the ever-changing needs of our clients by always putting them first.

03

Our Visions

Interpreting and integrating everything we have learned over the years to continue strengthening relationships within the industry, ensuring and guaranteeing client satisfaction.

04

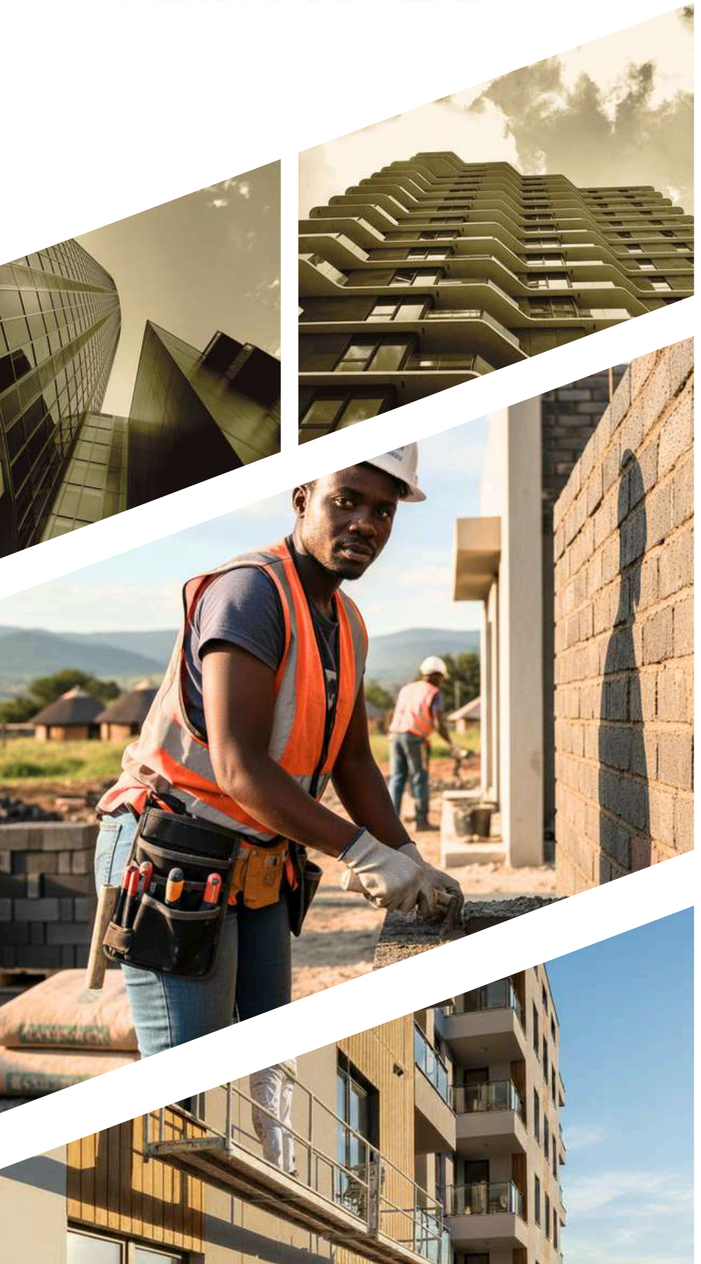

Our Mission

Continuous support towards the growth of the organisation by adapting to ever-changing standards, embracing new technology, and maintaining a commitment to excellence.

We are always conscious of the environment around us and work with our clients to minimise the harmful impact that construction can have on its natural surroundings.
